NEW PERSPECTIVES IN SIGN MATERIALS

IPI Sheet Products are Compliant with EU's REACH & SVHC Directives

IPI has investigated the requirements of EU's Registration, Evaluation, Authorisation and restriction of Chemicals (REACH) and Substances of Very High Concern (SVHC) directives. Based on our internal audit, IPI plastic sheet products are in compliance with this directive and do not contain any of the chemical compounds or materials noted.

In addition to compliance with the EU's REACH and SVHC, IPI is also compliant with the European Union's RoHS directive which prohibits the following materials: lead, mercury, cadmium, hexavalent chromium, poly-brominated biphenyls and poly-brominated diphenyl ethers.

Please contact IPI at 815-477-0778 or at ipi@mc.net if you have any further questions.
